Durations : 1hr / 1hr 30 min

Price :

1 hr ; \$230/month (4 lessons)

1 hr 30 mins : \$274/month (4 lessons)

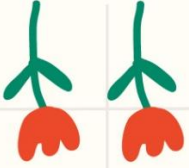

Our MIM Art level 2 Class empowers children to elevate their skills and explore art on a deeper level through age-appropriate, challenging projects. Through guided techniques and creative exploration, students develop technical finesse and gain appreciation for fine art traditions and practices.

MIM Advanced Individual

Our Advanced Individualized Art Class is designed for young artists who are ready to take their creativity to the next level.

With one-on-one attention and customized project paths, students develop mastery in their preferred mediums, refine techniques, and build a unique artistic identity – all in a nurturing, skill-enriching environment.

MIM ART LVL 1

Spark Creativity and Imagination

Children explore freely with open-ended materials, expressing themselves through unique creations – no right or wrong, just creativity!

Boost Motor Skills and Coordination

Hands-on art helps refine fine motor skills as children use different tools in fun, engaging ways.

Enhance Focus and Attention Span

Art encourages concentration as kids complete multi-step tasks and see projects through.

Discover the World Through Texture

Young artists develop sensory awareness by exploring and expressing through varied textures.

MIM ART LVL 2

Master the Elements of Art

Students learn how to use key elements like line, color, shape, and texture to bring their ideas to life, deepening their artistic foundation.

2

Experiment and Explore with Watercolor Techniques

Children discover the beauty of color mixing, layering, and blending through guided explorations, building confidence to create expressive works.

3

Build Perspective and Spatial Awareness

With overlapping and perspective drawing techniques, students gain skills to create dimension and depth in their artwork – translating how they see the world onto paper.

ADVANCED INDIVIDUAL

Tailored Learning Experience

Each child gets personalized guidance based on their strengths and interests for optimal artistic growth.

Portfolio Development for Young Artists

Students create advanced projects that can be compiled into a professional portfolio for schools or competitions.

In-Depth Exploration of Artistic Styles and Mediums

From charcoal to mixed media, students dive deeper into a wide range of techniques and styles.

Mentorship to Cultivate Artistic Voice

Instructors mentor each student to help them discover and refine their unique style with confidence.
