

Halloween Pumpkin Game (Addition)

Teaching materials:

- a. 4 cut out pumpkins halloween
- b. Notes (semibreve, dotted minim, minim, crotchet, ti-ti)
- c. Numbers (1,2,3,4), plus and equal signs

Procedure:

1. Show the notes, revise time values first.
2. Show the numbers, plus sign, and equal sign.
3. The teacher will announce the two notes to be added, the children will take the notes and the pumpkins. They will put the pumpkins on top/below the notes, depending on the time value. Guide the children where to put the plus sign and equal sign. Guide them to count the pumpkins all together.
4. One correct answer will be equivalent to one spooky/scary sticker/chop
